

# PEN UNDERWRITING DRIVER TRAINING

**Specialist training services for the petroleum & general haulage industries to prevent and reduce the possibility of accidents**

A part of the Pen Underwriting - Driver Training is a specialist in providing training services to the petrochemical and general haulage industries, its customers, suppliers and contractors.

Pen Driver Training has provided specialist training for over twenty years and has trained thousands of delegates and organises hundreds of training days each year both in the UK and abroad.

All our services are delivered by in-house specialists supported by a network of associates who are all experts in their own fields and have practical in-depth experience of the industry. Our services are all designed to meet current legislative requirements relating to those involved with the storage and distribution of petrochemicals.

**Pen Driver Training OFFERS A BROAD SELECTION OF COURSES AND CONSULTING SERVICES.**

## **ADR Driver Training**

'Accord Dangereuse Routiers' (ADR). Requires drivers of hazardous goods vehicles to attend a formally recognised and approved training course every five years. Our SQA accredited initial & refresher courses are delivered nationwide.

### CPC Driver Periodic Training

Pen Underwriting - Driver Training are a JAUP T accredited training provider for Driver CPC Periodic Training. A mixture of classroom and in cab training provides a versatile approach to meeting training requirements whilst minimising business interruption and driver down time.

### Petroleum Driver Passport

The PDP scheme sets a benchmark in competency against which all road tanker drivers who are loading, transporting and offloading petroleum fuel products in road tankers in the UK are measured. Competency is assessed using both classroom and practical techniques.

### Hazard Awareness

Legislation requires that all personnel involved in the carriage of dangerous goods are trained regularly to recognise the hazards they face in their working environment and understand how to act if an incident occurs & Security of Dangerous Goods.

**“Our instructor from Pen Driver Training, friendly and excellent at putting across interesting training courses. We have had good feedback from our drivers on how the training was conducted. The Instructor made the day very interesting and not long winded. We look forward to seeing Paul soon.”**

Oil 4 Wales, Rob Young, Operations Director
